U. S. Marine-Hospital Service.

## HONDURAS.

*Weekly report of conditions and transactions at La Ceiba—Fruit port.*

LA CEIBA, HONDURAS, May 24, 1902.

SIR: I have the honor to make the following report of the conditions and transactions at this port during the week ended May 24, 1902:

Population according to census—no official census. Present officially estimated population, about 4,000. Number of cases and deaths from yellow fever during the week, none; number of cases and deaths from smallpox during the week, none; number of cases and deaths from typhus fever during the week, none; number of cases and deaths from cholera during the week, none; number of cases and deaths from plague during the week, none; number of deaths from other causes during the week, 1. Prevailing disease, malaria. A number of cases but all of mild type. General sanitary condition of this port and the surrounding country during the week, good.

Bills of health were issued to the following vessels: May 22, steamship *Gwent*, number of crew, 15; number of passengers from this port, none;
